

“सर्व शक्तिमते परमात्मने श्री रामाय नमः”

*New Year Message – 2008 by Pujya Pitaji Maharaj*

‘Jai Sri Ram’  
‘Ovation For Sri Ram’

Let us welcome the New Year with all our earnest and pure feelings. May you all be blessed by Lord Ram and my best wishes to you all! Let the New Year be the harbinger of new joys, new aspirations, new enthusiasm and new ripples, fresh lovesome devotion and a fresh self-assurance.

A Great Power lies in the Name of God. This can be experienced by those who have resolute faith in His existence. The saints have called this Power by the name of 'Ram'. 'Ram' is Omnipresent, Omnipotent and Infinite. His power is present in every atom. The Benign Grace of the Great Lord descends on them who reiterate and ruminate the Holy Name-'Ram' with unflinching faith and love. The stronger and deeper this conviction is, the easier and instant will be our meeting with Ram.

Constant prayer and regular Satsang (congregational session) pave the path of great Peace and Bliss. We have to make a firm resolution and commitment that we will regularly attend the Satsang being held in our towns. Do not give way to any distress or any sort of negativity in your life. Always remain positive and blissful. By keeping faith in Him, we will become a special beneficiary of the Divine Grace. Joys and sorrows are gifts of our Lord. Always feel that you are under His constant protection.

Let us commit ourselves to tread always the True, the Sacred and the Radiant Path shown to us by Sri Swamiji Maharaj. Let us further commit to safeguard ourselves from pretension, lure and ostentation. May God bless you and enlighten your Spiritual Path! Let the Light of the Holy Name-'Ram', light up every heart and every home!

*Vridhi Aastik Bhaav Ki, Shubh Mangal Snchaar  
Abheu Udai Sad Dharam Ka, Ram Nam Vistaar*

Let Faith in God , Welfare of All Increase  
Let True Religion Prevail & Ram-Naam Pervade.

Happy Tidings for all of you and Very Happy New Year!

With Blessings From

*Hans Raj*
